MAYFAIR Male

Dirty minded? Good then you sound like just our type! Why not drop us a line and tell us what's been ringing your bell - or otherwise - in Mayfair?

HARD AS NAILS

I've always loved glamorous and refined women, but the one thing that makes my cock harden instantly is long, painted nails. As well as the visual aspect, I love to feel the light scratching of nails on my genitals and raking across my back.

I met Tina six months ago in a wine bar and was instantly smitten. She's extremely good-looking and, being a beauty therapist, she knows precisely how to use her assets to maximum affect - something I more than appreciate!

You'd think that someone as classy as she would be somewhat prudish in the bedroom, but I was pleased to discover that she fucks like a sex starved rabbit. Take last Friday, for instance...

**SHE PROPPED

We went out for a bite to eat in our favourite restaurant before heading back to hers for 'a nightcap'. Leading me straight to her bedroom and sitting me in an armchair, she began dancing to the soft music on the stereo, her hips gyrating and swaying. I sat watching with a drink in one hand while I indolently stroked my cock with the other. The lighting was muted except for one spotlight, centred over the bed. Her beautifully manicured hands caressed her body suggestively as she ran her long painted fingernails over the soft, silky fabric of her black satin camisole.

My dick pulsed in my fingers as she danced provocatively, using her nails to slide the silken straps down off her shoulders, revealing her beautiful rounded breasts, and it hung momentarily on her hips before falling in a pool of satin around her feet.

Now naked except for her stockings, suspenders and stiletto-heeled shoes, she stood in front of me with her legs spread. Putting a finger between her glossy lips, she sucked it suggestively into her mouth, wetting it with her saliva. Then, dragging her fingertip lightly over her pouty bottom lip,

she traced the contour of her chin and neck, continuing down towards her heaving orbs.

Her brightly painted nails tweaked her large nipples, then, turning her back to

me, she sashayed towards the bed and crawled up towards the headboard. Sitting facing me directly under the spotlight, she propped herself up with the pillows and spread her legs wide. Keeping her knees

ASH AND GARY

Dear *Mayfair*,
Wow - you've only gone and done it again! I've been buying your magazine for the last couple of years now, and each issue just seems to get better and better! I thought you were going to struggle to top the wonderful array of babes you offered us in 50.01, but now I've got 50.02 in my hands, it looks like you've done it! I've been particularly blown away by the stunning Ashleigh, who really looks a class act. Please get her back in the magazine as soon as possible so that I can feast my eyes on her gorgeous body in a different set. Also, it was lovely to see Lorena back in the magazine again after a rather too long absence. That wonderful picture of her bum, with the thatch of dark pubes nestling in between was pure heaven. If Spain ever needs to boost its tourism, I can't help thinking a picture like that would have men flocking there in their droves!

Can't wait to see what you've got lined up for us in 50.03!
Gary, Stroud.

bent, she dug her stiletto heels into the bedspread and parted her succulent pink pussy lips, which were glistening with her secreted juices.

I watched as Tina gently trailed her lacquered talons over the fleshy pinkness of her moistened slot. I could feel my heartbeat quicken as she pulled the hood back from the deep pink protuberance of her clitoris. With one finely manicured nail, she strummed at the sensitive bud, flicking and stimulating it like a plectrum on a guitar string.

Her breathing became harsh and rapid, and I knew that she was not far from her first orgasm. I moved onto the end of the bed to get a ringside seat as she held her swollen labia apart, their glossy surfaces beaded with her sensuous juices.

Dipping her fingers in and out of her squelching cunt, she wanked herself to climax – her pussy convulsing around them as her vaginal muscles spasmed, dappling the back of her hand with spots of her honeyed cum.

I crawled up the bed and knelt between her quivering thighs, the strong scent of her juices driving me wild. Pulling her legs further apart, I lowered my face to meet her pussy and began to lap.

“HER LIPS WERE PUFFY WITH HER AROUSAL AND MY SHAFT THROBBED AS I SLID BETWEEN THEM.”

Her hips jerked upward towards my mouth as I slurped feverishly at her soaking gash and she held the back of my bobbing head with both hands, her nails digging into my scalp as she forced my mouth harder onto her snatch. Whimpering loudly, she climaxed once again.

With my mouth full of her juices, I ripped off my clothes. My lust was all-consuming as my rampant prick craved attention and I was soon straddling her waist and demanding that she suck my cock.

Obliging willingly, Tina fed my member between her sensuous lips with her painted nails. It was such an arousing sight that my tool pulsed enthusiastically and I pushed it in hard, deep-throating it with my first thrust. She almost gagged, but quickly regained her composure, then pinched the base of my ball sac with her nails – which successfully managed to steady my overzealous entry!

I slowed my pace and got into a rhythm as Tina sucked away lustily, her tongue swirling and teasing at my helmet, her lips making a slurping sound as I shunted her warm, wet mouth.

SPRING GREENS!

Dear Mayfair,

When I was a kid my Mum was always telling me to eat my greens, but she never really got very far, sadly. Still, if I got the chance to eat either of your stunning Greens – Amy or Emma, that is! – I'd tuck in without any complaint! These two wonderful ladies really are a class apart, and I'm delighted to have been privileged to have been able to enjoy gazing at their wonderful

bodies in recent *Mayfairs*. The pictures of Amy in the last issue were sensational, whilst Emma never fails to disappoint. And speaking of Emma, what's happened to her? I hope she'll be back soon!

Ken, Ludlow.

Emma will be back soon, Ken, fear not! But if you can't wait another month or two, word has it she's going to be in Men Only 80.03... – The Ed.

Just when I felt myself reaching the point of no return, she pushed me back against the pillows to watch as she began to play with her tits – squeezing her firm globes, her varnished nails digging into the snowy white flesh.

Sucking her fingers to coat them with her saliva, she circled her engorged areole and teased the dimpled pink surface. Her beautifully manicured nails flicked at her teats, and my breath caught in my throat as she pinched them, nipping the delicate buds.

She moaned, and, looking up at me as she continued to toy with her teats, asked me if I was up for a greasy tit-wank. Was I ever! Grabbing the bottle of lube from the bedside cabinet I dribbled some over her porcelain breasts, rubbing it in with my cock.

Tina held her tits tightly together, clawing the soft flesh, and I eagerly pushed my rock-hard rod between them, before sawing it back and forth. Only the thought of fucking her prevented me from splashing off over her face!

Eventually, I moved down her body as her painted nails held her trickling fanny apart for me. She looked such a wanton slut with her hair dishevelled, her sopping slot gaping and small reddening scratches over her oily norks from where she had dug her nails into them.

Her well-lubricated pussy-lips were puffy with her arousal and my shaft throbbed as I slid it between them. She felt fabulous: warm, wet and tight. As I pounded her cunt she bucked under me like a mare in season.

Gasping and groaning in unison, our bodies slammed against each other as we fucked feverishly – Tina spurring me on by raking my back with her perfect nails, digging them deeper into my flesh each time I rammed my weapon home. Her back arched and her pussy clenched around my cock, and then, practically screaming with ecstasy, she came again, her vaginal muscles contracting violently around my throbbing shaft.

My balls tightened and my hot jizz

We get plenty of emails and letters every month entreating us to get Welsh wonder Emma Green back in the mag, so she's either got a) a very loyal and supportive mum or b) loads of fans. She's adamant it isn't her mum badgering us, and with her deliciously curvy body and alluring face, we're inclined to believe it's the fans! After all, she does have over 90,000 followers on Twitter, and that really would be a bit of an ask to get your mum to drum up!

"There certainly seem to be a lot of guys who like looking at my boobs!" she admits, and we have to confess, we're all too happy to give them the twice over ourselves now and again. It goes to show there can't be much wrong with the British male if so many of them have got a soft spot for Emma's magnificent mams and, well, what with this being *Mayfair* and all, here's the rest of her as well for (very) good measure!

spurted inside her, as, gasping, she dug her sharp nails into my buttocks with savagery that left its mark for days afterwards. Not that I minded, of course – in fact, I loved my temporary war wounds!

Kenneth, Leamington Spa.

LAV, ACTUALLY

I've been going out with Karen for about six weeks now, and while she's cute enough the looks department, her crowning glory is that she possesses one of the finest pairs of boobs known to man. She actively encourages me to play with them at every opportunity and to fuck those awesome mounds every time I feel the urge. She particularly likes me coming over her jugs and watching my delight as she rubs my goo into her firm teats.

Last Friday afternoon I was sitting in work, fantasising about Karen's tits and those oh-so-munchable nipples of hers. Just thinking about it made me hard, and I had to stop myself from whipping my cock out and wanking myself off there and then (which might have upset the girls in the office)!

Anyway, the evening proceeded as expected. We met up in the pub with a few mates and by about ten o'clock, everyone was suitably well-oiled. Karen was sitting next to me, wearing a sheer white blouse half unbuttoned, and there was enough cleavage showing at the front of her lacy white bra to ensure that I was nice and hard despite all the beers I'd necked.

One mate went to get another round in and that's when the fun started. Karen leaned across to whisper that she was just nipping to the ladies.

"See you in a bit", I said.

Karen smiled a wicked smile and leaned across again. "Aren't you, er, coming with me?"

What an invitation! I was already mesmerised by the swell of her tits and could feel my cock ballooning big time as she grinned at me.

"Sure," I mumbled. Karen put down her

drink and we made our way along the back corridor to the bogs. I actually felt a bit nervous as we entered the ladies and headed straight for the nearest cubicle. Thankfully there was no-one else around but we were that pissed I don't think it would have mattered. No sooner was the door locked behind us than we were snogging passionately, our tongues in each other's mouth, sucking on each other's lips.

Karen already had my zip open and was attending to the huge boner that was sticking through my pants like a flagpole. In return, I got her blouse undone and reached behind her to undo her bra and get my hands on those awesome milkers. I sucked

on them, kissing the erect nipples and trying to cram as much tit into my mouth as I could. Karen still had her knickers on but, feeling down there, I could sense the warm

moistness of her pussy, which was now beginning to ooze as I feasted on her luscious hooters.

Karen licked her lips, which is normally a signal for an incoming blow-job but, as she knelt in front of me, caressing the helmet of my engorged glans with her tongue, I motioned to her that I wanted to give it to her between the jugs. Smiling, she raised herself slightly, taking the warm thickness of my prick in her magnificent cleavage. Bringing her hands up on either side she raised her tits to cradle my dick and I began pumping away. The sweeter her norks got, the smoother the action I was able to build up.

Just as I was getting ready to erupt over Karen's chest we heard a noise in another cubicle. Someone had obviously come in for a pee. For a split second there was panic as we both wondered what to do, though to be honest, I'd already reached the point of no return and could sense the hot seed rising from my balls.

"Forget them," Karen whispered breathlessly, "just do it on me". With that, I spurted. The jets of come splashed onto Karen's face, giving her an impromptu facial as I tried to keep from groaning too loudly! The way she stuck out her tongue and licked the traces of my seed up into her mouth still makes me go hard thinking about it now.

We're off to the pub again this Friday. Who knows – maybe we'll christen another cubicle while we're there! If we do, I'll be sure to let you know! Colin, Notts.

PICTURE PERFECT!

Dear *Mayfair*,

There's no use denying it – I'm head over heels in love, and the object of my affection, as if there could be any doubt, is your latest centrespread girl Cara Brett! What an absolutely sensational set of pictures they were, each one stunning, and yet somehow each one hornier than the last! To begin with she smiley and fresh-faced, her stupendous boobs already proudly on display, and then, whether reclining in a chair or on all fours, she just looks even more enticing! By the time we get to the picture of her on page 46, with her shaven pussy on full show, then words really can't do her justice any more – and still it gets better! Please pass on my thanks and congratulations to the photographer, and my sincerest appreciation to the girl herself! Truly beautiful from head to toe!

Justin, Livingstone.

There aren't many (OK, any) counties that like to blow their own trumpet as much as Yorkshire does – in fact the county ended up getting so big-headed they had to split it in two in the end – but then as well as frothy beer, ferrets and flat caps, they've also produced some truly remarkable things over the years. Boycott's steely determination, toad-in-the-hole minus the toad and Leeds Castle (*Er, hang on a sec - Ed.*) all spring to mind, but now we've got to add the wondrous form of Amy Green! She's from the city of steel itself – Sheffield – and we reckon that if a second War of the Roses were to start anytime soon, she might just swing it in favour of the white rose all over again!

"I don't think the Wars of the Roses are likely to start again!" she laughs, and perhaps she's got a point. With Amy around, we'd much rather make love, not war!

Well, we've been bowled over by Tommie Jo the blonde, blown away by Tommie Jo the brunette, and now it's time to be totally titillated by Tommie Jo the titan! But what on Earth's going on TJ – can't you settle on a look or something?

"Ah, I think it's important to change things around in your life pretty regularly!" she grins. "It's the same with all sorts of things – not just the colour of my hair. Sometimes I'll just get fed up with everything in my wardrobe and I'll give it all away and get myself a whole new set of clothes. Same with the decoration in my flat. And of course it's also the same for the men in my life! No matter how much fun a guy is – whether's he's got a big cock, a nice body, or knows just what to do with his tongue and fingers, sooner or later you fancy something a bit different, and it's time to move on!"

Fair enough. Er, so next time you get fed up with all those well built types who know what they're doing in bed and you fancy a proper change, you could always give us a ring, you know!

■■■■■■■■■■

We don't like to blow our own trumpets here at *Mayfair*, but when we came across London-based stunner Cara Delahoyde at the end of last year and invited her to appear in 50.01 we couldn't help feeling more than a little bit pleased with ourselves. Let's face it, she's an absolute corker, and while she'd done a bit of modelling before, we figured we'd pulled off a bit of a coup getting her to pose a fair bit more naughtily than she'd ever done before. And, judging from the letters we received in praise of this dark-haired hottie, that wasn't the only thing that was pulled off!

Ahem, anyway, it was only natural that we should issue an open invitation for whenever she felt like coming back for another shoot, and much to our relief it was only a couple of months before she was on the blower – and the reason was she was!

"I hate the first few months of the year – it's always so cold and damp and grey – and I figured another naughty shoot for *Mayfair* would be just the thing to cheer me up!"

You and us both, Cara – you and us both!

QUEST...

What goes on holiday stays on holiday, right? Well thankfully not in the case of our three horny confidants this month!

I got together with my girlfriend, Kirsty, at the Christmas markets last year. I'd had sex with girls before, starting with threesomes with my ex-boyfriend but Kirsty was my first proper girlfriend. She was the first girl I'd dared to take home to meet my parents and introduce to my friends.

There had been many firsts during the year, and I was looking forward to our first holiday together. We headed off to Malta, thinking that a week in the Maltese sunshine was just what we needed. I like the sunshine but the thing I was most looking forward to was being topless with my girl in public. I always looked forward to getting my own boobs out in public, but the thought of showing off Kirsty's fabulous body made me extra horny. There was just something sexy about being allowed to play with Kirsty's boobs. Perhaps because they were so much bigger than my own. "Do you think we should go topless by the pool?" I asked, as we took our seats on the plane.

Kirsty smiled. "Do you ever stop thinking about my boobs?"

I wriggled deeper into the seat, trying to satisfy the need which had suddenly developed between my legs. "No," I admitted, while gazing down at my girlfriend's wonderful cleavage. We both smirked guiltily as a slim stewardess walked past wearing a very tight skirt.

"She's got a nice bum," Kirsty commented, peering down the aisle.

"Kirsty, stop it!" I protested, as she pulled my hand onto her bare thigh and dragged it up under her skirt. "Can't you wait until we get there?"

"You know how much I like a girl in uniform," she said, winking at me. My stomach dropped as I thought about the effect the sexy uniforms I had worn for Kirsty had had on her.

"Surely you're not expecting me to...?"

"It won't take long. And it's not as though it's the first time you've made someone orgasm

on a plane." My stomach flipped as I thought about the time I'd played with my boyfriend's cock on the way back from Tenerife. He'd been wearing a pair of shorts which had no chance of disguising a cock which was in desperate need of attention. "Or are your services reserved for cocks only?"

Kirsty grinned at me, knowing she had played dirty. "You know that's not true."

"Prove it." The blood rushed to my head as I squeezed my hand between Kirsty's thighs. Her pussy was just as hot as Nick's cock had been when I'd stroked that. I shuffled in my seat, pretending that I was stretching up to see the safety demonstration, whereas I was trying to get a better angle to force my fingers down over Kirsty's pussy...

"Someone's very wet," I said accusingly,

look really cute in her tight little uniform.

"Someone's been thinking about her girlfriend playing with her pussy all morning," Kirsty retorted. "Being wet is a common occurrence when I think about that. Plus," she added, turning away from the eyeing the stewardess, "I was so horny that I couldn't help playing with myself as we queued up at the gate." I gasped with surprise.

"And I thought you were nervous about flying," I muttered. The noise of the plane spinning up its engines was enough to cover

I TOUCHED HER PROPERLY, RUNNING MY FINGER DOWN TO HER VAGINA...

Kirsty's sexual whimper as I started rubbing the top of her slit. It felt like a good way to start the holiday, pushing back yet more boundaries. I could feel the heat intensifying between Kirsty's legs. It wasn't easy but she clearly wanted me to do more than just play with her. She wanted an orgasm. Kirsty shifted again, partially turning her back on me and I found that I had access to her slit. I touched her properly, running my finger down to her vagina and dug my finger into that sopping

hole. Her body reacted instantly, jolting and jerking as though she'd had an electric shock. Her hips moved rhythmically, fucking my fingers with slight, determined movements. And then she stopped, just as the plane swung round onto the runway.

"Oh fuck!" she moaned, twisting in her seat as the acceleration started. She kissed me hard and pulled my hand deeper against her pulsing crotch, despite us being surrounded by a bunch of strangers. "I want to see you sucking on a man's cock," she whispered into my ear. "I want to see him fuck you." It was the most shockingly sexy thing I had ever heard and my pussy yearned for it to be real. Suddenly, all I could think about was having a hard cock slide deep inside me.

"What about him?" Kirsty asked a couple of days later, making her sun lounger creak as she moved. Underneath my sunglasses, my eyes were closed but my pussy clenched, as it had every time my girlfriend had suggested I look at a man.

"Don't be too eager. Just lay back and let your tits do the work," I murmured.

"Not everyone likes my tits as much as you do," Kirsty sighed, rubbing another layer of sun protection over the whitest parts of the soft, firm flesh. "Psst! Hunk alert."

"I don't suppose you need a hand?" a male voice asked.

"Erm," Kirsty stalled, tapping my ankle with

wondering whether it was appropriate for my girlfriend to have had such a strong physical reaction to another woman, even if she did

her foot. "Maybe?" I took a look. Kirsty hadn't been exaggerating when she'd called our male companion a hunk. He was muscular and clearly interested in two topless English girls.

"Perhaps we could give you a hand?" I suggested. The guy froze, wondering if he'd heard correctly. We'd chosen a spot well away from the kidney-shaped pool, and only the top two floors of the hotel were overlooking our loungers. "Why don't you let me take a look in here?" Kirsty nodded her approval as I sat up and teasingly pulled on the cords of the beach shorts which were now at eye level. Her slippery breasts were squashed against my back by the time the guy's cock sprang free.

"It's hard already," she whispered in my ear, sounding alarmed.

"They do that," I said, feeling Kirsty's breath on my neck as I circled

"I WONDERED IF ANYONE WAS LISTENING AS KIRSTY INTENSIFIED THE SLIPPERY PRESSURE OF HER FINGERS ON MY CLITORIS..."

my fingers around the shaft.

"I can't believe you're touching it." I pulled Kirsty's hand up off my thigh and she squeaked her surprise as I squashed her fingers around the shaft. Teeth pressed against my neck as I moved both our hands up and down the cock, stroking it with a long, slippery action. "I can't believe you're making me do this," Kirsty whispered into my hair but even as she was saying the words, her hand pushed down between my legs and started rubbing. "Are we going to make him come?" Wonderful sensations shot up through my body, making me groan with delight.

"In a minute," I replied, "but I want you to do me first." Kirsty made me moan as she rubbed faster.

"I'm so close, Kirs. So close." I wondered whether anyone could see us, or whether anyone was listening as Kirsty intensified the slippery pressure of her fingers on my clitoris. There was a moan from above

a split second before hot spunk slammed into my face. "Don't stop. Don't stop," I demanded as Kirsty's fingers threatened to fade at exactly the wrong moment. Kirsty caught the orgasm, forcing crushing waves of pleasure through my body as the spunk started running down over my tits and thighs.

"There's so much of it," Kirsty said, sounding impressed as our heroic suitor pulled up his shorts. Dragging my finger up through a white streak on my breast, I pushed it into Kirsty's mouth.

"Now be a good girl." Kirsty pulled a face as she sucked my fingers clean.

"Urgh! It tastes like bleach," she said.

"You get used to it," I promised, licking a dollop from my own fingers.

"Why would I need to get used to it?" Kirsty asked suspiciously.

I swallowed my share of the spunky load. "Because I gave him our room number," I admitted, looking down at Kirsty's heaving chest. "It's been a while since I had a threesome and I can't wait to lick his spunk off your boobs."

After saving up all our pennies for months, a few months ago my other half and I finally paid out for a holiday to the Seychelles for a bit of sun, sea and shagging. Annoyingly, the poor sod went down with a stinking cold on the first proper day there, so I decided to go off to do some sightseeing on my own.

After exploring the resort thoroughly, I ventured into the local town for a bite to eat, stopping at a museum on the way. After a super-tasty meal, I found a cute little bar off the beaten track and told myself it would be rude not to stop for a drink.

Being female and on my own, I wasn't surprised that I got chatted up by a few blokes, but I'm obviously in a relationship and told each of them so. However, by the time I was on my fourth glass of beer, I got into a conversation with a local guy called Deshawn and couldn't help but be attracted to him. He was seriously fit – an obviously ripped body and rugged-looking, with a charming, boyish grin, which made his face become even sexier. Not

my usual type, but the sunshine – and the rum cocktails I'd let him buy me – soon had me feeling turned-on as hell, as well as the slightest bit tipsy... And brave!

When I eventually told him that I'd better get back to my boyfriend, Deshawn offered to walk me back to my hotel and was a perfect gentleman towards me, not coming on to me in the slightest. In fact, it was me who made the first move, surprising even myself. We were walking through an alleyway and I stopped, pressing my back up against the wall, like I was tired and needed to rest. He stopped to check that I was all right, and I quickly slid my arms around his neck, pulling him close to me for a snog.

"Fuck..." he said when we came up for air.

"I thought you'd never ask," I joked, without skipping a beat.

He invited me back to his place, which consisted of a simple studio flat with a single bed. As soon as his door closed behind us he jumped on me, kissing my face off and pawing at my skirt. Between us, we managed to rip our clothes off, grabbing and caressing each other's body as more of it was exposed.

"IT FELT LIKE SPARKS WERE TRAVELLING ALONG EVERY NERVE TO MY CLIT..."

sucking my hard nipples between his teeth before nibbling on them gently, my sopping fanny leaving a trail across his muscular stomach.

As he moved back up to give me another kiss, the moist, hot tip of his prick trailed against my inner thigh. I groaned with pleasure and brought my hand down again, wanking the shaft once more, before slipping

tightly around his meat, which, in turn, caused Deshawn to moan. It wasn't long before I felt myself coming and every muscle in my body went into the most divine spasm, the rapture washing over me like a warm blanket.

I had barely finished orgasming before he'd pulled out and ordered me to roll over. His tone made my knees weak and I obliged, going to pull myself up into the

His cock was huge and already rock-hard, and I had to use both hands to wank him, enjoying the feeling as it throbbed deliciously in my fists.

Falling onto the bed together, limbs entwined, we made out like two teenagers until he rolled on top of me and, splaying my legs wide with his, rubbed his thick prick up against my wet slit. I naturally hooked my legs around his back as he moved down to take each of my boobs in his mouth in turn,

it inside me. "Know what you like, don't you, sweet girl?" Deshawn whispered in my ear, as he started thrusting away, stretching my pussy with his girth.

Too fucking right, I thought, as he ground in hard and deep, using his hands to shove my legs even wider apart. He rocked back slightly so he could get his fingers on my clit, which just about sent me into orbit. He diddled firmly, the intensity of the pleasure making me shudder and clench my vag muscles

doggie position, but Deshawn pushed me down onto my stomach. He knelt between my thighs, my arse cheeks splaying as he rubbed his crotch against them and, after dipping his fingers into me for a second, he slid his cock back up inside my dripping snatch. His hands slid under my tits to pinch and roll my nipples between his fingers – they were already sensitive from how much he'd sucked them, and it felt like little sparks were travelling along a nerve directly to my clit. It felt fucking fantastic!

He screwed me slowly at first, then, as he started getting closer to climaxing, he started ramming in deeper, squeezing my globes with every thrust, until he was pummeling into me right down to the hilt. I felt his warm, moist breath against my neck as he nuzzled me with his stubbly chin, then suddenly he gasped and grunted and I felt him pull out quickly before a spray of hot jizz landed on my bum and lower back.

I made sure Deshawn knew that fuck was a one-off, which seemed to suit him perfectly as, when I was out with my other half in tow at a bar the next night, I saw him chatting up another female tourist.

As well as keeping me occupied for the day, our naughty fuck gave my holiday sex a good kickstart. My man was well recovered by the next day, and we thoroughly enjoyed the rest of the holiday together – in and out of the bedroom! I feel a bit guilty about my little indiscretion, but I'm not going to beat myself up about it. I just happened to get a bit more 'package' to my package holiday than other people...

My former best friend Charlotte and I were due to go on a package holiday in a 5-star hotel in Spain with all the trimmings, which we got at a knockdown price because we'd booked and paid for it nearly a year in advance. Then, just a few weeks before we were due to fly out, Charlotte stole my boyfriend Sean and slithered off to Torquay for a holiday with him - leaving me to go on the vacation on my own.

On the upside I had a double room at a top end hotel in the Costa Del Sol all to myself, and feeling betrayed and upset I at least had some time alone to get over it. And as it turned out the package holiday really was "the whole package".

No sooner had I entered the hotel foyer when I bumped into the most gorgeous man I had ever met. Tall, tanned and fit, he spoke English with a slight accent, and noticing that I had just arrived he signalled for the porter to move my luggage over to the desk.

Before leaving me to check in, he introduced himself as Juan, and told me he lived nearby and often used the hotel for business meetings. He also arranged to meet me later that evening for a drink. Over the next couple of days Juan and I became more intimate, and it did not take me long to forget about Sean.

Juan took me sightseeing and we lunched and walked on the beach relaxing in one another's company. It was not until the third day that he made his move and invited me out on a proper dinner date, and by his body language I knew I would not be sleeping alone that night.

Looking at my reflection in the mirror, I felt satisfied with the short, sexy, skin tight red dress I had originally bought for Sean's benefit. Smiling at my reflection I smoothed the soft fabric over my thighs, and then as an afterthought I slid the tiny g-string panties off and tossed them aside. The short skirt ended barely below the curves of my arse, leaving very little to the imagination.

Right on time there was a knock and I slid my feet into a pair of sexy red high-heeled sandals and went to the door. Juan stood there looking handsome in a lightweight designer suit and a dazzling white shirt. He leaned in to kiss my cheek and asked if I was ready to go.

I kissed him back then turned from him to pick up my jacket, deliberately swinging my hips to give him a look at the way my dress clung to my buttocks. As I turned back to face him Juan ran a nervous hand through his black hair, obviously aroused by the show. He stepped into my room, giving me a clear view of the hardened package in his pants.

I was feeling aroused too. My nipples throbbed and stiffened as I glanced at the size of the obviously large appendage which pressed against his trouser front. I could feel my inner thighs become sticky, and, deciding we could dispense with the dinner, I dropped my jacket over the back of a chair.

Juan loosened his collar as I squeezed between him and my door, closing it and sliding the chain across. As my body brushed up against his, I felt his hardness pressing into me and I took his hand, led him to my bed and got him sit on the edge. Unbuttoning his shirt, I slid my hands over his hard muscular chest while bending over in front of him to give him a glimpse of my cleavage.

His body tensed at my touch, and as he slid off his shoes I pushed

him gently back on the bed-covers. I straddled his crotch, making my dress ride up as I opened my legs, exposing my pale shaven pussy, which was rubbing against the fabric of his trousers.

Riding back and forth over his bulging package, my bared clitoris brushed against the throbbing rock in his pants creating a delicious friction as he ground against my crotch. I moaned as my pussy lips

spread over his long, fabric-covered cock, feeling its heat through his trousers. I took the initiative, unzipping his suit trousers.

However, when I saw the large engorged head on his cock my mouth watered and I wriggled further down the bed. Juan met my eyes and his smile brightened as he held my hair back from my face and gently pushed my head down to his lap. My lips closed around his cock, taking his bell-end into my warm, wet mouth and I sucked it gently, my tongue caressing the rim of his helmet.

Juan groaned, his dick throbbing as he thrust his cock all the way to the back of my mouth. It felt so good that I took it all eagerly, sucking

fiercely in time
to his moans of

pleasure until I sensed he was about to come - at which point I slid it out of my mouth.

Moving back up Juan's body I slid my tongue across his lips and we kissed deeply. "I want to feel you come inside me," I demanded seductively, rubbing my wet pussy lips over his cock. Growling low in the back of his throat, he moved his hips violently upward, jabbing his throbbing rod full force up inside my soaking pussy. My labia were so slick from my arousal that he slid right inside me to the very root of his manhood.

I bucked wildly on top of him, his huge hard cock stretching my pussy and rubbing against my g-spot, creating the most incredible friction as my pussy began to spasm. In response I slammed myself down onto him, fucking him wildly as he fucked me better than I'd ever been fucked in my life, until both our bodies tensed and we came off in unison.

THERE'S £50 FOR THE LETTERS WE USE!

CHARLIE

Age: 21 Vital Stats: 34D-28-32 5'5"
Photographer: BB Media

oooooooo

When she made her *Mayfair* debut back in the spring, 21-year-old Essex babe Charlie Rose went down a real storm, both with the crowd in the office here and, if the letters we received are anything to be believed (and, thinking about it, sometimes they're not!) with you lot as well! So with his customary glacial pace, the Ed's finally got round to asking her back for another shoot.

"To be honest I was beginning to think I must have done something to upset you!" grinned the girl herself as we got chatting in the dressing room where she was making a few last minute adjustments to her stocking and suspender combination. We certainly couldn't think of anything – in fact it's pretty hard to think of anything at all when a girl this cute is bending over right in front of you, fiddling with her stocking tops and the like!

After we'd reassured her that she hadn't done anything wrong at all and had, as far as we were concerned, done everything absolutely right she relaxed a bit and... well, here are the results of the next hour or so!

BRIONY

Age: 22 Vital Stats: 30B-24-29 5'7"
Photographer: BB Media

■■■■■■■■

Svelte stunner Briony set quite a few hearts fluttering when she made her *Mayfair* debut last year, but she's been such a busy girl we've only just managed to get her back for another shoot – but we're sure you'll agree it's been worth the wait!

"Well that's nice of you to say so. Yes, I have been pretty busy, you're right. Just after Christmas I went on my first ever skiing holiday, and then a modelling assignment saw me jetting off to sunnier climes, so all in all I haven't done too badly for myself!"

We're very glad to hear it! So how did you find your skiing experience? Did you take to the slopes like a natural?

"Not at all! The whole thing was really scary, and it was as much as I could do just to stand up. In fact I'm sure I spent more time flat on my back than I did actually skiing!"

Hmm, really? We wish we'd been there!

SAMMI

Age: 27 Vital Stats: 32E-25-34 5'8"
Photographer: BB Media

□ □ □ □ □ □ □ □

We know that time flies when you're having fun, but it rather looks like it's been over two years since we last managed to hook up with Berkshire-born lovely Sammi Tye for a *Mayfair* shoot, which does seem a bit on the excessive side, given what a stunning example of English womanhood she is! So the questions we'd like to ask now are a) how on earth did that happen? and b) what can we do to make it up to Sammi?

"I don't know how it happened, really," says the lady herself. "I guess I've been pretty busy, and you're right – time does fly when you're having fun! As for making it up to me; well, you could promise not to leave it another two years before we shoot again – how about that for starters?"

OK, it's a deal. After all, we don't need any persuading to spend a bit of time with someone this lovely!

If a girl wants to get into *Mayfair*, there are a few pieces of advice worth noting; getting dolled up in a suspender belt and lacy undies comes pretty near the top of the list, but looking anywhere near as cute as Alli Rae here comes even higher up the list (OK, I'll admit it, it's the top of the list), so when a girl who's exactly as cute as Alli Rae gets in touch to ask if we'd like to feature a set of her in her red skimpies, we weren't likely to say no!

"Ha – and I was very glad to hear it!" she grins. "I've got a bit of a bucket list of things I want to do as a model, and appear in *Mayfair* was definitely one of them, so I pulled out all the stops to try and make sure you'd fancy me!"

From where we're sitting, you probably needn't have pulled out any stops at all, Alli, but we're certainly glad you went to the effort because a) we're in the wonderful position of getting to watch you strip and play with yourself and b) we can share the experience with our discerning readership. Predominantly, we have to admit, it's a).

□□□□□□□□

Christi here – or Christiana Cinn, if we’re going to be formal about things – boasts a genetic heritage that includes both Italian and Hispanic origins and, it has to be said, it’s clearly a bloody good mix, isn’t it? So does she speak Italian or Spanish at home, we wondered...

“English, of course!” she grins. “Of course I know a little bit of both, which is just about enough to keep my grandparents happy when I see them, but I can’t pretend to be fluent in either, I’m afraid!”

Well, we won’t hold that against you – and besides, with such a stunning granddaughter, we’d imagine your grandparents are happy enough as it is!

“Well, yes, I am the apple of their eyes, I guess. I’m not sure how they’d feel about me appearing in *Mayfair* with all my bits and pieces on show, but they’ve always been very proud of everything I’ve done.”

And why shouldn’t they be? And we’re very grateful for them for their hand in producing such a wonderful finished article!
